

Ecosafe Heating Ltd t/a Ecosafe Group is committed to providing and maintaining a safe and healthy working environment for all employees, contractors, visitors, and others who may be affected by our activities. We recognise our responsibility to prevent work-related injury and ill health and to continually improve our Occupational Health & Safety (OH&S) performance and management system.

We have established, implemented, and will maintain an OH&S Management System aligned with the requirements of ISO 45001:2018, and commit to:

Our Commitments

- Eliminate hazards and reduce OH&S risks to ensure safe working conditions for all persons under our control.
- Fulfil all applicable legal and other OH&S requirements, including industry standards relevant to our operations.
- Continually improve the effectiveness of our OH&S Management System through monitoring, auditing, and performance evaluation.
- Provide the resources, equipment, and competent personnel necessary to support the achievement of our OH&S objectives.
- Consult and encourage participation from workers and their representatives in decisions affecting health and safety across all levels of the organisation.
- Maintain a positive safety culture by promoting open communication and ensuring that hazards, near misses, and unsafe conditions are reported without fear of reprisal.
- Provide appropriate information, training, and supervision to ensure employees are competent, confident, and able to work safely.
- Conduct and regularly review risk assessments to identify hazards, implement proportionate controls, and manage risks effectively.
- Prioritise and complete corrective and preventive actions to minimise the likelihood of incidents and to improve safety outcomes.
- Ensure our workplaces, plant, and equipment are maintained in a safe condition at all times.
- Ensure roles, responsibilities, and authorities for OH&S are clearly defined, understood, monitored, and fulfilled throughout the organisation.
