

Occupational Health and Safety Policy Statement

Ecosafe Heating Ltd ta Ecosafe Group, as an organisation;

- Have established and implemented a Health and Safety Management System to manage the risks associated with our premises and activities.
- Regularly monitor our performance and review our Health and Safety Management System as necessary to ensure we achieve our objective of continual improvement.
- Provide sufficient resources to meet the requirements of current Health and Safety Legislation and aim to achieve standards of 'Good Practice' applicable to our activities.
- Actively promote an open attitude to Health and Safety issues, encouraging staff to identify and report hazards so that we can contribute to creating and maintaining a safe working environment.
- Communicate and consult with our staff on all issues affecting their Health and Safety and, in doing so, bring this Policy to their attention.
- Provide adequate training to our staff to enable them to work safely and effectively, and to ensure they are competent and confident in the work they carry out.
- Carry out and regularly review Risk Assessments over identified hazards and establish and implement control measures.
- Prioritise, plan and complete any corrective actions required to reduce future risk to an acceptable level.
- Maintain our premises and work equipment to a standard that ensures that risks are effectively managed and minimised.
- Ensure that responsibilities for health and Safety are allocated, understood, monitored and fulfilled.

It is the duty of all of us when at work:

- To take reasonable care of our own safety.
- To take reasonable care of the safety of others who may be affected by what we do or fail to do.
- To co-operate so that we can all comply with our legal duties.
- To ensure we do not interfere with or misuse anything provided in the interests of health and safety.
